VNA Foundation is very proud to support IAFCC and its clinic members.

The annual conference, attended by clinics from across the state is supported by a diverse array of funders and exhibitors. I see the clear value in supporting the IAFCC conference, and hope others do as well

Can we count on your support?

We are inviting you to show our members that they are appreciated!

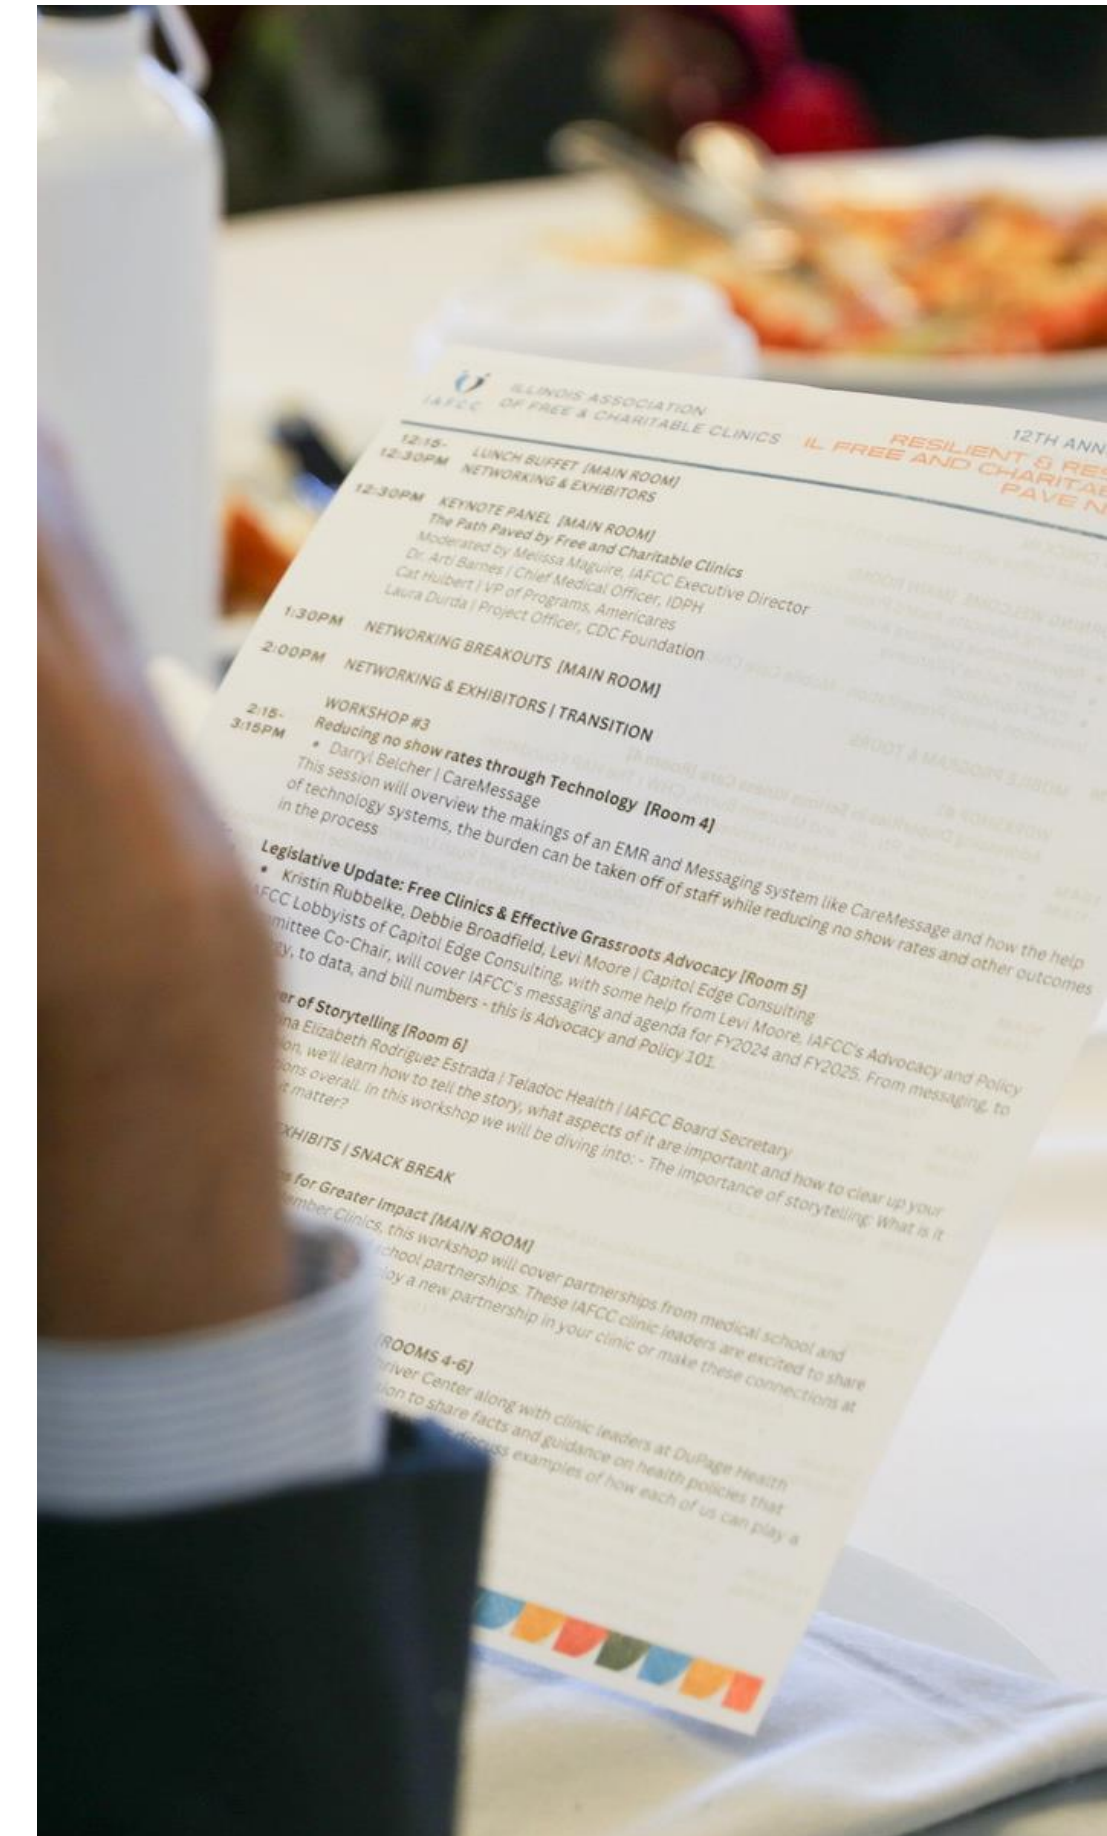

Please do this as a Conference Sponsor or Exhibitor!

Support our members, in a Conference that:

- Provides space and time to learn about best practices in the safety net health system
- Challenges attendees to look at past biases and embrace the opportunity to learn and grow
- Has meaningful opportunities to connect and reconnect with others in the state that “get it” as no one else can - those that have similar experiences, challenges and successes!

And most importantly a conference that honors the Free and Charitable Clinics in Illinois
